

# Nature and animals

---

## LESSON - COMPETITION

**TARGET GROUP - STUDENTS FROM  
4-th GRADE - 10 YEARS**

---

**15. HIGH SCHOOL  
"ADAM MITSKEVICH"  
SOFIA  
BULGARIA**

1. Fill in the missing words in the text.

Students work in groups. Each group receives a text about the highest mountain in Bulgaria, located near Sofia.

Students write the correct words.

---

## Rila

Rila is **the highest** mountain in Bulgaria. The highest peak is **Musala**. From the Rila Mountains **spring** some of the deepest and longest rivers in Bulgaria: Iskar, Maritsa, Mesta and others.

Most of the mountain is covered with centuries-old **forests** of spruce, white fir and white pine. Here is the oldest **coniferous** tree "Baikushevata mura". In Rila there are a number of other plant species - trees, **shrubs, herbaceous plants**. In spring and summer, countless wildflowers and herbs can be seen on its **meadows**. Among the beautiful Rila nature there are many **animals and birds**. The most numerous of them are: wild goats, bears, wolves, eagles, falcons and others. Rila Mountain is a favorite place for many Bulgarian and foreign **tourists**

**Missing words are colored in red!!!**

## 2. Crossword puzzle

Students write the words in English in two crossword puzzle. The words are written in the native language or presented with pictures

The first crossword puzzle is with animals that live in our mountains.

6.

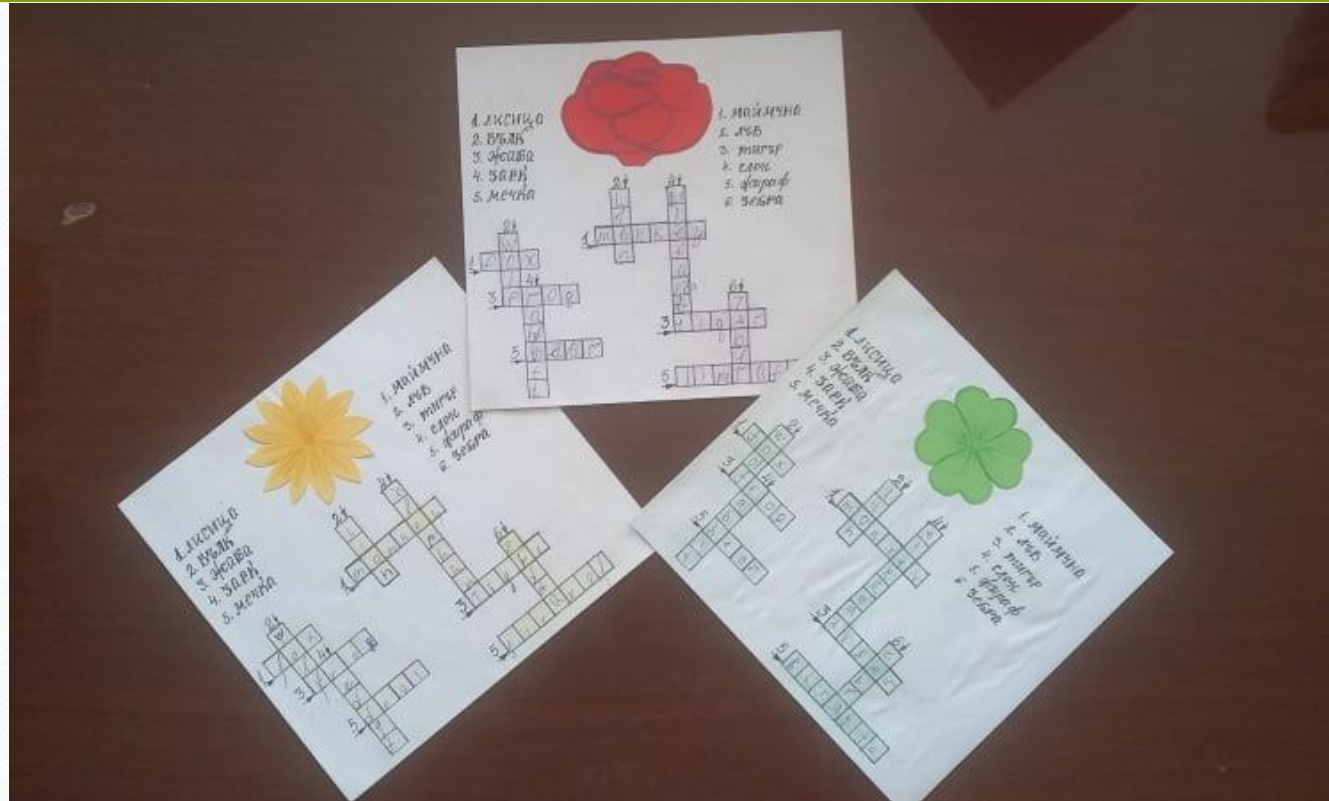

# Crossword model.

1. Лисица  
2. Вълк  
3. Жаба  
4. Завк  
5. мечка

1. маймунa  
2. лѐв  
3. тигър  
4. слон  
5. жираф  
6. зебра

The image shows two crossword puzzles. The left puzzle has 5 clues in Cyrillic: 1. Лисица (fox), 2. Вълк (wolf), 3. Жаба (frog), 4. Завк (pig), 5. мечка (bear). The right puzzle has 6 clues: 1. маймунa (monkey), 2. лѐв (lion), 3. тигър (tiger), 4. слон (elephant), 5. жираф (giraffe), 6. зебра (zebra). The solutions are written in Cyrillic and Latin letters within the crossword grid.

## Task 2. This is what the students did.

### 3. Puzzle – Bear

The students put together a puzzle of the largest animal that lives in our mountains - a bear.

---

## 4. Make a correct sentence.

---

- Each team received the letters of their sentence. On the back of each letter there is a number that corresponds to the order of the letter in the sentence. This task can be done in another option. The students are given the individual words and their task is to arrange them in three sentences.
- The sentences are:
  1. Keep your native nature clean!
  2. Love animals and birds!
  3. Nature is our good friend!
